

## Be Rich “Serve” Opportunities 2023

As a church, we have the opportunity to be **FOR** our community and make a difference through our local and global nonprofit partners. **Our motivation comes from the scripture 1 Timothy 6:18: “Command them to do good, to be rich in good deeds, and to be generous and willing to share.”**

One of the ways we can live this out is through serving. When you serve with a nonprofit, you help them accomplish more and communicate value and dignity to those they serve.

Below, you'll find a list of some of our partner organizations that would love for you to give of your time and serve alongside them:
